STILL IN THE SPIRIT FARMER, FOUND AND DISTILLER

RAYMOND 'SPIKE' DESSERT III

### **OUR STORY**

Raymond 'Spike' Dessert III, our founder, owner, developer, and farmer, first landed in the remote Kimberley outback in 1972 to develop his seed business. He fell in love with the Kimberley, and eventually made it his home.

Stubbornly independent, Spike liked doing things his way, and in 1995 the area's fledgling sugar industry, the perfect tropical climate, and a trip to the southern wineries planted a seed in his mind.

The Hoochery was born because, as Spike put it, 'Governments keep telling farmers to diversify.' So he diversified, creating Western Australia's oldest continuously operating (legal) still. He did it his way.

## 5 RIVERS TROPICAL SPICED RUM

#### 750ML BOTTLE - 38.0% ALC/VOL

Pot-distilled, oak-matured, and hand-blended, this is one of our favourites. Sweetened with fresh Ord Valley mangoes, infused with the pulp of our iconic Kimberley Boab nut, and with a handful of various aromatic spices thrown in for good measure. This perfectly balanced spiced rum is the taste of the tropics, from the heart of the Kimberley.

## OVERPROOF ORD RIVER RUM

#### 750ML BOTTLE - 56.4% ALC/VOL

This is our Ord River Rum, with attitude. Filtered through mahogany charcoal to deliver a full flavour and a smooth finish, it's easy-drinking but with enough bite to satisfy your adventurous side. Not your usual eyewatering OP — this is good honest rum, with a bit of a kick.

## PREMIUM ORD RIVER RUM

#### 750ML BOTTLE - 40.0% ALC/VOL

The first spirit Spike tried his hand at making, the Premium Ord River Rum has now become our flagship rum, and after 25 years, nothings changed. Pot-distilled, oak-matured, handblended and married, and reduced with monsoonal wet season rainwater, it's still made and bottled by hand.

## KIMBERLEY MOON WHITE RUM

#### 750ML BOTTLE 40% ALC/VOL

If you're chasing the smoothest Australian White Rum, you've come to the right place. Slightly sweet but still aged for 2 years to ensure its super smooth. This liquor is fantastic for making Mojito's or any other rum cocktail. Crystal clear and made from the cane spirit you all know and love.

## ORD VALLEY CORN & SORGHUM WHISKEY

700ML BOTTLE - 45.1% ALC/VOL

Genuine paddock to palate — this Corn & Sorghum Whiskey is a unique mash of grains grown right here on our family farm, just behind the Hoochery Distillery. With each spirit separately barrel-aged, then uniquely blended together, the resulting Corn & Sorghum Whiskey is something a little old world, meets something a little new world.

## SPIKE'S RESERVE - 7 YEAR OLD

750ML BOTTLE - 43.1% ALC/VOL

A distinct aged rum, this was one of Spike's favourites. It's one of ours, too. Discover what passion, a pot still, and a charred wooden barrel can create.

## SPIKE'S RESERVE - 10 YEAR OLD

750ML BOTTLE - 43.1% ALC/VOL

Spike wanted to create a standard of rum that the world hadn't seen coming out of Australia before. We think he did it. Smooth sophistication, a balance wooded finish, with captivating aromas and enchanting complex palate. This is enjoyment 10 years in the making.

## SPIKE'S RESERVE - 15 YEAR OLD

750ML BOTTLE - 43.1% ALC/VOL

Over the years as Chief Hoochmaker, Spike sampled and selected the best barrels and set them aside for the family for a special occasion. Our 15 Year Old Reserve is the outcome. So join the family and enjoy some of the best rum we have to offer.

## CANE ROYALE LIQUEUR

#### 700ML BOTTLE - 28.0% ALC/VOL

A unique blend of Kimberley Cane Spirit, chocolate, and coffee. Perfect for a nip after dinner, or paired with a lovely rich dessert. What? We can be fancy sometimes, too.

## ARGYLE PINK NATIVE DRY GIN

#### 700ML BOTTLE - 43.5% ALC/VOL

Argyle Pink is our tribute to the Kimberley Region that we've called home for over 40 years. Except for the elusive Juniper Berry, all the botanicals have been sourced from the East Kimberley Region within cooee of our distillery. Distilled for a distinctly East Kimberley expression of an Australian Dry Gin.
